

# SAFE WORK

SAFE Work Services of the Workers Compensation Board (WCB) of Manitoba is committed to supporting workplaces in preventing injuries through education and safety programming.

Our department is now offering a one day training workshop on **Injury Prevention**

This free workshop is intended for small to medium sized employers who are new to safety.

The objective of the Injury Prevention Workshop is to gain an appreciation of the importance of safety and an understanding of the basic requirements, challenges and strategies to build SAFE Work environment in your workplace

Running from 8:30 am to 4:30 pm, the day will be spent focusing on assisting workplaces in understanding the importance of safety and the basic strategies necessary to prevent injury and illness in the workplace. Our workshop provides an overview on:

- Costs of injuries and benefits of safety program
- Legal obligations and responsibilities for injury prevention
- The core components required to Spot the hazard, Assess the risk, Find a safer way, Everyday
- The challenges and strategies of building a culture of safety.

Training sessions will be held at our SAFE Work offices located at 363 Broadway (second floor) in Winnipeg on the following dates:

January 27  
February 10  
February 24  
March 10  
March 24  
April 14  
April 28

May 12  
May 26  
June 9  
June 23  
July 14  
August 11  
September 15

September 29  
October 13  
October 27  
November 10
